RE: Application of Network Enhanced Technologies, Inc. Authority  
to Operate as a Reseller of Interexchange Telecommunication  
Services within the State of South Carolina

Dear Mr. Butler:

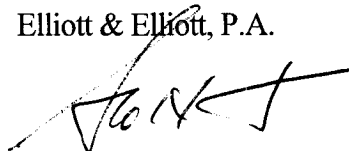

Please be advised that Network Enhanced Technologies, Inc. would amend its application to eliminate and delete any request for pre-paid calling card authority. As you and counsel will recall, the Applicant was permitted with the consent of the ORS to amend its application to include authority for prepaid calling cards; upon some reflection, the Applicant has reconsidered and now wishes to forego authority for prepaid calling cards.

The client and I are most grateful for your flexibility and appreciates your assistance and that of the ORS in this matter.

If counsel or you have questions, please do not hesitate to contact me.

Sincerely,

Elliott & Elliott, P.A.

Scott Elliott
